

COMMUNITY WASH APPLICATION

Gilmore Avenue Car Wash & Quick Lube and E-Z Car Wash are committed to giving back to our amazing community through our Community Wash program (formerly known as Community Wash Saturday). Due to repeated poor washing weather on the first Saturday of the month in 2022, we have revamped the program for 2023.

Program details:

- We will choose one organization per month to participate.
- The organization will be given 100 certificates to distribute. See sample below for details.
- People that receive certificates will bring them to our Gilmore location anytime during the designated month, make a qualifying purchase, and 100% of their purchase will be donated to the organization.

We ask the following of you and your organization:

- Promote the event using whatever means you have in order to get the word out. The more people that visit us that month, the more money your organization receives (if you need more than 100 certificates, please let us know).
- Once the event is complete, provide a representative (or multiple) from your organization to snap a photo with permission to share the photo in print or social media campaigns.

If you are interested in participating, please complete the form below. Once completed, please scan and email it to info@gilmorewashandlube.com, drop it off in person, or drop it in the mail. We will review your application and reach out to you to set the date.

Organization: _____

Contact Person Name: _____

Contact Person Email: _____

Contact Person Phone: _____

Has your organization participated in our Community Wash program in the past? _____

How will your organization use the money raised?

How do you plan to promote the event?
