

COMMUNITY WASH APPLICATION

Gilmore Avenue Car Wash & Quick Lube and E-Z Car Wash are committed to giving back to our amazing community through our Community Wash program. We will be continuing the program in 2024 with the following guidelines.

Program details:

- Complete the request information below.
- If your organization is chosen, you will choose a month you would like to participate.
- Once you have chosen your month, a pdf of the certificates (see below) will be sent to the contact person. Make as many copies as you would like to distribute to as many people as you can.
- People that receive certificates will bring them to our Gilmore location anytime during the designated month, make a qualifying purchase, and 100% of their purchase will be donated to the organization. ****Note - in order to receive the funds, the purchaser must bring a certificate to the wash. There are no limit to the number of certificates a person can redeem or an organization can print****

We ask the following of you and your organization:

- Promote the event using whatever means you have in order to get the word out. The more people that visit us that month, the more money your organization receives (if you need more than 100 certificates, please let us know).
- Once the event is complete, provide a representative (or multiple) from your organization to snap a photo with permission to share the photo in print or social media campaigns.

If you are interested in participating, please complete the form below. Once completed, please scan and email it to info@gilmorewashandlube.com, drop it off in person, or drop it in the mail. We will review your application and reach out to you to set the date.

Organization: _____

Contact Person Name: _____
